Sub: National Tuberculosis Elimination Programme (NTEP) Ni-kshay 2.0 web-portal.

Respected Sir/Ma'am

May I bring to your notice that the National Tuberculosis Elimination Programme (NTEP) is being implemented throughout the Country under the National Health Mission (NHM) by the Ministry of Health and Family Welfare (MoHFW), Government of India. Under NTEP, all TB patients, notified by public and private sector health facilities/doctors, are provided free diagnostics and treatment and Rs. 500/ month for nutrition support through Direct Benefit Transfer (DBT).

To facilitate enhanced community engagement in achieving TB elimination by 2025, MoHFW has recently launched Pradhan Mantri TB Mukta Bharat Abhiyaan (PMTBMBA) as a part of NTEP. To ensure its effective implementation, Ni-kshay 2.0, an exclusive web portal for registration of Ni-kshay Mitra (Donors) and online link-up of such Ni-kshay Mitras with TB patients, has been developed. Interested faculty members/staff members/students can register themselves as Ni-kshay Mitra and select:

- 1 The area/number of TB patients they are interested to adopt & support.
2. Type of support (Nutritional/vocational/additional diagnostics).
3. And the duration (minimum duration being six months & maximum being three years).

The Principals of affiliated colleges of IGU, Meerpur are requested to disseminate the information about the programme and encourage the stakeholders to actively support and participate in this initiative by registering themselves as Ni-kshay Mitra at www.communitysupport.nikshay.in The action taken in this regard is to be emailed to yrc@igu.ac.in

With regards,

Jamni abhis

Programme Coordinator, YRC, IGU
